

A vibrant, stylized illustration of an ice cream social. The central focus is a large, light green, cloud-shaped scoop of ice cream. Inside this scoop is a smaller, rounded pink scoop. Below these is a larger, irregular teal scoop. The entire assembly is topped with a swirl of light green ice cream. A waffle cone, colored orange and yellow, is positioned at the bottom, with the letter 'H' printed in white on its side. The background is white, decorated with numerous small, colorful dots in shades of pink, purple, and yellow.
